

DryForce Plus Hand Dryer

Generated on 19.09.2017

Detailed description

Blade style 'hands under' hand dryer, which forces out a blade of air from a single outlet strip.

Features and benefits:

- 19 seconds drying time.
- Relatively quiet.
- Incorporated automatic heating system acts as an energy saving addition, with heat only added to the airflow when it senses an environmental temperature below 24°C.
- Includes an easily serviceable 600 ml water collection tray, avoiding mess on walls and floors and preventing splashes. A window in the water tray shows when emptying is required.
- Two year guarantee.

Applications:

Suitable for medium use (100–300 uses per day). For gyms, hotels, schools, museums and offices. The quiet operation makes this dryer suitable for children and other vulnerable users. Not recommended for areas suffering from vandalism.

CE marked.

Product guidance - As Standard

Size (h x w x d):

470 x 250 x 165 mm.

Material:

Impact resistant, antibacterial ABS plastic.

Technical characteristics:

- Rated power (adjustable motor): 550–1350 W (0.55–1.35 kW).
- Input voltage: 220–240 V (50–60 Hz).
- Energy per dry: 2.9–7.13 Wh.
- Motor: Universal brush motor.
- Motor speed: 20 000 rpm.
- Air speed: 235 mph (105 m/s).
- Operating sound level: 73 dB.
- Operating temperature range (at 20°C): 40°C.
- Heater element power: 800 W.
- Standby power consumption: <2 W.
